

# Version 1.7.0 (23/06/2025)

## New features:

The URCap can now read all new features introduced in iSee Ui Builder 1.9.0.7.

## Changes:

Changed the order of the item types in the URCap node. The item types are now ordered alphabetically.

The background color of a 'Combobox' item can now be changed with the iSee Ui URCap node.

## Bug fixes:

Solved bug where an inverted 'Slider' item was not completely drawn correctly.
